Upcoming Events

TONIGHT | **A Festival of Nine Lessons and Carols –** Join us for an evening of scripture reading, singing, candlelight and worship as we focus on the loving purposes of God and reflect upon His goodness and mercy! 7-8pm this evening, with a reception following. Good opportunity to invite a friend!

Announcements

Calling All Bakers – We are looking for people to bring cookies for the reception following this evening's Christmas program.

Wi-Fi - The church now has unlimited internet available in most of the building, though the signal doesn't reach the sanctuary well. If you need to use it, you can connect to the BBCC Guest network using the password: BBCC.

Prayer for Adopted People Group – Our church was contacted by the mission agency of one of the missionaries we support. They are trying to raise special, increased prayer for the 100 largest unreached people groups in the world. They asked us if we would be willing to adopt one of these people groups for special, focused prayer. They have resources to help us commit to praying for this people group for the next six months. Come and learn more about the people group BBCC has adopted and take home some resources to assist you in praying daily for these people. Sunday, January 19th, 7:30-8:30pm.

Christmas Tracts and Invitations – The church is providing some Christmas tracts for you to use as one way of sharing the good news of the gospel this Christmas. You might consider leaving one with your tip at a restaurant or tucking them inside Christmas cards you are handing out to co-workers, friends, or relatives. They are in a stack on the back table marked "Christmas Outreaches." There are also some printed invitations for you to use to invite others to our church's Christmas service.

"You Asked for It!" Sermon Series – Starting in January, Jeff will begin a new series of sermons, but he'll only preach on Bible passages, topics, or questions that you ask him to preach on. There are slips of paper and a box in the back of the sanctuary where you can submit your requests.
